

# MILL & FACTORY SALE

## Bloomingdale's

3<sup>RD</sup> AVE 59 & 60TH STS

(Copy of a Recent Letter to the Trade.)  
 To Manufacturers, Importers and Producers Generally:  
 At the end of every season we close out the stocks of hundreds of manufacturers. At this time, with facilities and business more than double last year's, we are prepared to buy more stocks than ever before.  
 1st. Goods offered must be of this season's production, perfect and of standard quality.  
 2d. It is useless to offer us complete stocks unless you are willing to sacrifice prices.  
 Our corps of experienced buyers will look at samples every forenoon in our sample rooms, or at your place of business. Yours respectfully,  
 BLOOMINGDALE BROS., Third Ave., 59th and 60th Sts.

## A Torrent of Bargains,

real and unmistakable, will signalize the Giant Sale of the decade, which begins

here to-morrow. A trade coup—carefully, skillfully planned—and successfully consummated—has placed "Greater New York's Greatest Store" more than ever in a position to *emphatically—decisively—overwhelmingly* undersell the market. Our invitation to the trade, with its conditions as reprinted above, was scattered broadcast, and our willingness to transmute big stocks of merchandise into gold brought eager responses from a host of importers, wholesalers, warehousemen, mills and factories. The net result is a Bloomingdale Sale of Titanic proportions, at which *new—selected—seasonable* merchandise will be sold at

Remember, this sale lasts for five days only; after that we will positively not accept further orders. Samples furnished, so that you can compare these Trousers with those made to order by tailors at \$5.00.
